

Block Plan 1:500

Proposed Front Elevation 1:100

Proposed Rear Elevation 1:100

Proposed Side Elevation 1:100

This drawing is to be read in conjunction with all other consultant engineers and other specialist contractor drawings. All items are to be cross referenced throughout design, tender and construction.

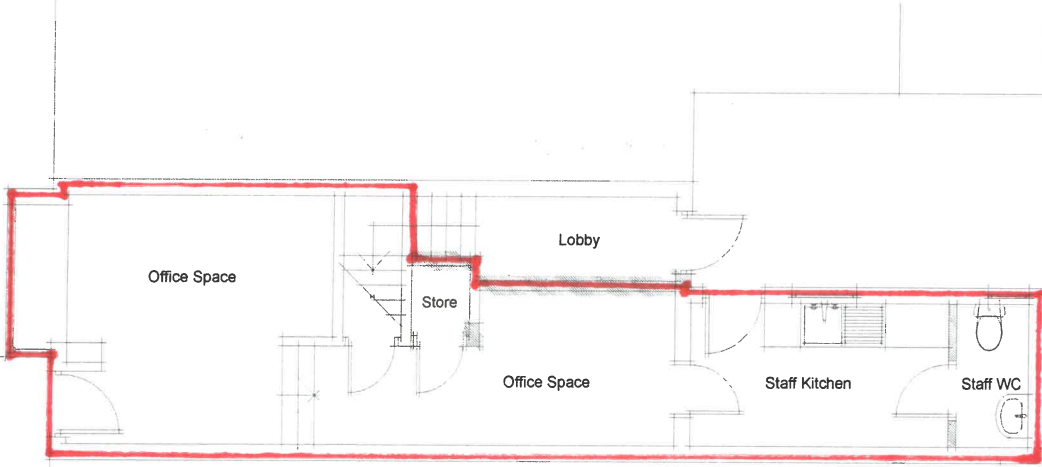

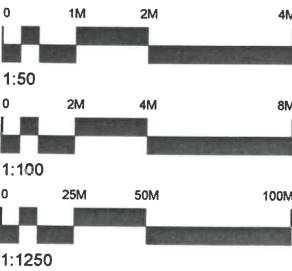

Any discrepancies whatsoever discovered must be reported to the designer as soon as they become apparent.

The main contractor is responsible for checking dimensions prior to commencement of work.

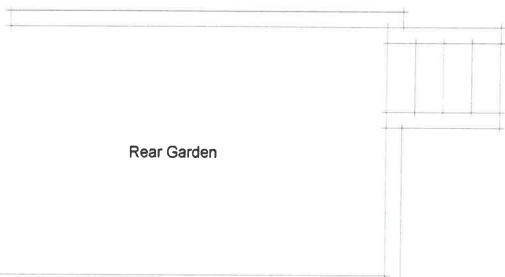

All specified manufacturers are o.s.a (or similar approved) o.e.a (or equal approved) whether stated or not. Any equivalent product or manufacturer must be approved in writing by the designer before use.

All structural elements shown on these drawings are based on structural philosophy, and are to be fully designed, detailed and dimensioned by others. Refer to structural engineer plans for up to date structural design.

Unless specified, drawings are for planning or information purposes only.
